Memorial Stationery

Passages' attractive and dignified memorial stationery items are crafted by hand from renewable resources. The sustainable processes include ancient paper making techniques used to produce beautiful, one-of-a-kind stationery pieces that honor your desire for sustainability. Each memorial stationery item that we produce is unlike any other funeral stationery.

Floral Memorial Stationery Set

This memorial set includes everything needed for a funeral chapel, church or home memorial service. Everything can easily be packed into the handmade box and transported to wherever the service or gathering is scheduled to take place. The floral theme that runs through the core of this design, features fresh flowers that are added to the stationery items by hand. Once the stationery set is used, the box can be recycled or reused to store personal mementos of the deceased.
