Scattering Tube Personalization

Engraved Tubes with Personalized top

Personalized top

Friends and Family Personalized Tubes

Add a photo, engraving or both to any of Passages Scattering Tubes. Personalized photos are placed on the top of the tube and allow for a name and one extra line of text for dates or a personal message. Engraving allows for between three and six lines of text and clip art, depending on design. Please see www.passagesinternational.com/scattering-tubes/personalized for more information. Proofs are provided and same day turnaround is available if the proof is approved before 2pm Mountain Time. Available on all designs and sizes.
